

*Ricky Sachs is a Country singer and songwriter from Aalen, Germany. He writes and performs original songs in English — acoustic, solo with guitar.*

He grew up in Unterkochen, a small town in southern Germany. He first heard Country when his brother and his father turned up Johnny Cash in an old Volkswagen van. At some point he started writing his own. Songs like *Raise This Town* are the result.

He performs solo, with acoustic guitar and voice. He has been playing stages in southern Germany for years. In February 2026 he opened for Stoner Rock band Yeast Machine at Pfadirock.
